Dear Sandy:

I just wanted to take the opportunity to thank you for your efforts in placing me with the Legal Department at Toshiba America Information Systems. The mere fact that you were able to obtain an interview for me on such short notice (one day, to be exact!) was pretty amazing.

Based on my previous dealings with legal recruiters, very few have any experience in corporate counsel placement, and most lack your agency's relationships with corporations, as well as law firms.

I am really very happy with the work here at Toshiba, and it is an extremely pleasant environment in which to work in. I realize that it was quite a coup to land a position with such a prestigious company in the first place, but to do it during a one-week visit, while on my honeymoon no less, well I guess that says it all about your recruiting and placement abilities.

Once again, many thanks for your terrific results. I owe you a lunch next time you are down this way!

Yours truly,

Lawrence A. Caplan
